

## Southcoast Health and Sustainability Alliance 2030 Strategic Plan

## Helping make the Eurobodalla a better Place to Live, Work & Play

Our Focus	Key Actions
To actively engage with & support our community	<ul> <li>We inform and advocate to all levels of government on the climate crisis, renewables, electric transport &amp; social justice.</li> <li>We run the Repair Cafe to engage with the broader community, to build skills, resilience, and reduce waste to landfill.</li> <li>We actively support other community groups and volunteers by enhancing their service capability, resourcing and coverage.</li> <li>We seek to represent the diversity of our community by broadening our base of members and volunteers.</li> </ul>
To create a more resilient sustainable community & low carbon economy	We engage in projects that deliver in the ares of:  Renewable Energy  - Solar install programs and batteries on community facilities  - Support local research and development of renewable power generation, micro-grids and energy efficiency.  Electric Transport  - Drive and promote electric vehicles and charge points  - Promote electric public transport, cycling and walking  Social Justice  - Support and develop heatwave and bushfire havens  - Support affordable housing initiatives, regional food security and food charity
To promote & support social justice initiatives	<ul> <li>We support initiatives that develop affordable housing for the most vulnerable in our community</li> <li>We promote food security for our region and partner with other organisations to help facilitate food delivery to those in need.</li> </ul>
To partner with research institutions, utilities, local businesses & organisations	<ul> <li>We actively support local businesses aligned with SHASA's vision on sustainability, local employment and social justice.</li> <li>We seek out grants to support community initiatives and provide local employment opportunities</li> </ul>
To promote capacity building & a culture of inclusion	<ul> <li>As a community organisation we rely on the commitment, goodwill and capability of our volunteers. To continue our success we help grow our volunteers through:         <ul> <li>Mentoring and coaching</li> <li>Positive experiences and social events</li> <li>Formal and informal training</li> <li>Building capability to better manage tasks such as media, accounts, legal, project management and grant writing.</li> </ul> </li> </ul>
